## **Essay**

Russell was a man that was very passionate about his career and his cattle. In about 500 words, tell us why you have chosen Agriculture/Animals as your career choice and how you plan to use it to better the Texas Longhorn breed. If applicable talk about your past or present aspirations and how they led you to this field of study.

Is there any other information that you would like the scholarship committee to know about you that might help us to make our decision.

All submissions need to be submitted to the committee via email
