Big strong foundation cow with deep colors and 71.50 TTT. We really like the potential horn and offspring coloring from this beautiful painted lady. She was exposed to RBR The Duke with an 80.81 TTT official measurement (10/14/2017) and they gave us a nice calf to be named FHR The Duchess. The Duchess has real horn potential with Dam over 70" and Sire over 80". She will be follow on bred to FHR's Cool Smoke BCR. We look for

TTT: 72.5000 on 09/25/2018
