This is a beautiful and complete cow in every way - big cow with over 70" horns and perfect disposition. I purchased her at the very first Hudson/Valentine Sale and she has not let me down, producing a number of wonderful heifers and bulls for me. Now it's time for someone else to take advantage of these genetics. Her 2010 Buzz Saw bull calf is spectacular and is the herd sire for Dwight Lewis (NC). Service Sire for 2015 Calf:
