The TLBGCA co-hosted the show again this year. We gave away a steer, donated by Cody and Morgan Himmelreich to a non-longhorn exhibitor. The show was well attended for only its second year.

Spring Show and Calf Program Update:

The Spring Show is in full swing and we have everything ready to go for this weekend in Brenham, TX, at Miracle Farm. We have a lot of entries and all volunteers in place. We decided to call one of the scholarships the Kyle Drennan Memorial Scholarship for outstanding contribution to the longhorn community.

Annual Membership Meeting:

The annual membership meeting will be held at Monument Inn in La Porte, TX, on July 17, 2021. Felecia Jones has made the reservation with the restaurant and will be the primary contact person for the event.

We need to nominate individuals for the four (4) officer positions and for the four (4) director positions. Individuals will be elected at the annual meeting.
