Welcome

The Texas Longhorn Breeders Gulf Coast Association thanks you for being a part of this sale and futurity. Our focus is to promote the Texas Longhorn breed, get our youth involved with the breed and grant scholarships for their education. This event is a fund raiser to help us complete our goals. Our volunteer staff has worked diligently to provide you with the 2020 Cattle Baron's Premier Longhorn Sale and the Winchester Futurity. Together we all make it the best it can be.

We could not do this sale without all of our consignors, sponsors, staff members and volunteers. Thank you to each and every one of y'all for making this happen. As prospective buyers, you will find quality cattle in this sale that will fit the need of any herd. We have a great auctioneer, Joel Lemley. We hope you enjoy the sale.

Our catalog format starts the sale day with a great variety of heifers, the oldest being born June 2017, and a set of Futurity bulls, the oldest being born June 2018. The rest of the sale is comprised of a superb assortment of premium cattle, including one group of cattle with twisty horns and twisty horn genetics. You will find quality animals spread throughout the 66 lots being offered.

We are blessed to live in a country where we can do the things we choose to do. We appreciate you choosing to be here and we hope that your Longhorn experience with us is a good one.

Thank you for participating.

Sincerely,

Stephen Head

Comments: OCV'd. Special pedigree here. Double bred Coach and LCR Buena Joya. Foundational Bob Loomis breeding. She was bought at the Legacy Sale and has given us 3 exceptional calves. Stone Red is sired by Cowboy Casanova out of the great production dam D/O Miss Grande who recently sold at The Fort Worth Stockyards sale for \$40,000 plus and previously sold at The Legacy Sale for \$64,000.
