*You are invited to the 2021  
Cattle Baron Sale  
and  
Winchester Futurity.*

The sale will be held at the Brazos Valley Livestock  
Commission in Bryan, Texas.

The theme of the Cattle Baron Sale has always been to  
highlight twisty horned cattle. We are proud to offer a  
very nice set of females for your consideration.

Our hope is that you are able to attend the sale, show  
your futurity cattle, sell your consigned cattle and add  
some new genetics to your herd with your purchases.

We look forward to seeing everyone and visiting  
with our Longhorn family.

We appreciate your participation!

Sincerely,

TLBGCA Staff

SL SELENA'S ACE**Breeding:** Exposed to Big League from 12/22/20 to 2/15/21.**Comments:** OCV'd. Beautiful Hubbells 20 Gauge daughter out of Helm Respected Temptress, who was right at 80" TTT in the fall of 2020. Momma has produced "Mega Horn" in our program, which is understandable when you look at Jade's maternal granddam, SL Selena's Ace, who sold twice for an average of \$18,000. Again this female line has produced tremendously for us. Jade will be exposed to Big League (Bubba Tuff Chex x Horseshoe J Delicious) who is giving us that consistent, low, lateral horn set plus TTT that is so desirable in the market. No holes here, check Jade and her family out at [www.helmcattlecompany.com](http://www.helmcattlecompany.com).
