Dear Mr and Mrs Stotts,

Hi. My name is Hunter Winkel and I am 12 years old. I am in the 7th grade. I am the lucky one to have my name drawn for the steer you donated to the TLBGCA show in Brenham. I live in League City, Texas but our ranch is in Clayton, Texas. My sister lives at our ranch and helps take care of the animals. My sister originally got my family in the longhorn business. She started showing longhorns thru the NASA program with Clear Creek ISD. I was able to see how much fun it was and I wanted to show, so my grandparents bought me a steer, Silent H Ike. My family fell in love with the breed. We now have a herd of 18 Longhorns and we plan on growing. I want to thank-you for your donation. It is wonderful to have so many supporters in the longhorn business. I can't wait to meet you. See you soon.

Best Wishes,

Hunter Winkel ☺
