

September 22, 2010

Dear Mr. Caldwell:

Hope you had a great summer. I sure am enjoying Abby. We took her to the Autobahn Youth Scholarship show and I thought she did very well for her first time in the show ring. She placed 6<sup>th</sup> out of ten. She is really a lot of fun. Abby is setting up good and gaining weight. She likes for me to rub on her. Now that school has started I don't get to spend as much time with her but on the weekends I work with her a lot. I am playing football and have a lot of homework every night. I am in 8<sup>th</sup> grade now and my class all got laptops for the school year. I will be taking her to the Ark-La-Tex show in October in Lufkin. Maybe you can come see her. She is eating really good and likes her playmates, Big Jake and Sandman.

Sincerely, John Moore
