Dear Mr. and Mrs. Wilhite,

Hi, how are you doing? I am doing great and so is Beauty Queen. I learned a lot at the showmanship camp that I went to with my family. When we came home my brother helped me to halter break Beauty Queen and she is doing really well on a halter. I have been working with her a lot. Now I'm able to walk her by myself, and even use the show stick on her. Beauty Queen has a great disposition. I'm so proud of her. I love the white speckles around her eyes and the red speckles on her legs. She is so beautiful, and she seems to have a good amount of horn for her age too. I can't wait to show her. We are trying to get her to gain weight, and if she does I will take her to the Autobahn Super Stakes in August. I think the heat is hard on our calves right now. Thank you very much for donating Beauty Queen to the TLBGCA Brenham Show. Hope you have a great day. God Bless.

Sincerely,

Joy Faske

Joy Faske & Beauty Queen
