Dear Mr. and Mrs. Wilhite,

Hi, how are you doing? Beauty Queen and I are doing well. A few days ago we were working with our calves and I was worked with Beauty Queen. She was doing very good and I was so proud her. I used a show stick on her and she likes when I scratch her. She also likes when I use my hands to scratch her neck. This spring we plan to take her to shows nearby. We may take her to the Rockdale Show and the Brenham Show. Her horns are growing good and she is a beautiful heifer. Have a great day!

Sincerely,

Joy Faske
