

September 6, 2011

Dear Mr. Friedrich,

Since I've updated you last time about the calf, we went to one show. We went to the Fort Worth Autobahn Super Stakes Scholarship Tour. Bubba had nine other calves in his class and placed 5th. When we first got into the show ring he was really nervous but, then he started to calm down when I started rubbing his stomach with the stick. Also last time I updated you, I told you he didn't really like to eat his food but now he loves it and we feed him every morning and afternoon when I get home from school. The next show we will be going to is the East Texas State Fair in Tyler, Texas. It starts the 29th of September and ends the 1st of October.

Sincerely,

Kayla Kitek
