

Dear Mr. and Mrs. Newton,

I hope your move to Florida went well. In July I went to church camp. I had a blast with all of my friends. We went swimming in the pool and the lake. I jumped on a trampoline in the middle of the lake. I also went to Vacation Bible School for a week.

I am still enjoying working with Sweet Sierra Sioux. She can be stubborn at times but I can handle her. In two weeks her horns have grown from 22 inches to 24 inches. She loves to eat and is gaining weight as you will see in the pictures, I have sent you. I am still very excited about our first show and can't wait to tell you all about it.

Love Maseen
