Dear Mr. and Mrs. Randolph

Hi I hope yall are doing well. I raised 825 dollars at the Autobahn show in Lufkin. It was Boombauer's ~~his~~ first show and he got fourth! We measured his horns yesterday and they were $37\frac{1}{4}$ inches. I can't wait for the next show on October second at the rice festival in Winnie. I hope to see yall there. We have also started school and its hard to put in time working with my cows and after (football) school practice. We lost our first game but we'll come back in the end hopefully. See you soon.

your friend,
West.
