

SAMUEL FASKE is a 19 year old young man and former TLBT youth exhibitor that is still involved with Texas Longhorn cattle today as is his family. He was in an automobile accident on Thursday evening, May 2nd, and the one vehicle wreck was not found until the next morning. This was one of the rare cold nights in May with temperatures were near freezing. He was airlifted to Houston's Memorial Hermann Medical Center where he remains in the Shock Trauma ICU. They started blood transfusions immediately when Airflight arrived and he has been given many, many units of blood. He has lots of internal injuries and has had many surgeries with many more to come but he has the best team watching over him. If you are not familiar with the Faske family you can visit their ranch web site and learn about this special family and each of their children. The web site is <http://www.vidanuevaranch.com/> click on the OUR FAMILY page to read about each of the children. Currently his mom, Suzanne, is spending every day and night at the hospital and his father, Jay, is bouncing back and forth between the hospital, running a business and keeping the family, home and ranch going.

Please keep him and his family in your thoughts and prayers.

If you or anyone you know would like to support and donate in order to help the Faske family deal with medical and other related cost that are mounting up as a result of Samuel's accident, you may do so one of two ways.

There is an account set up for Samuel at Bank of Brenham.

The checks **MUST** be made payable to **Samuel Faske Benefit Account**. (any amount will be greatly appreciated by the Faske Family)

You can mail checks to:

JH FASKE JEWELERS
527 Highway 290 West
Brenham, Texas 77833

or

BANK of BRENHAM
501 South Austin Street
Brenham, TX 77833

The other way to donate is online: *(the link is below, if you choose this option please note that the money will not be issued to Samuel's benefit account until June 30, 2013 and the web site host company will retain 7% of the donations to cover credit card charges and handling fees)*
